

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

Plaintiff Chad Brazil (“Brazil”) has filed a Motion to Amend Case Management Schedule. (“Mot.”) ECF No. 143. Specifically, Brazil seeks to extend all deadlines in the current Case Management Schedule, *see* ECF No. 82, by forty-five (45) days. *See* Mot. at 1. Brazil contends that he needs this extension so that Brazil’s damages expert, Dr. Oral Capps, will have adequate time to complete his opening expert report, currently due on June 13, 2014, in light of recently produced discovery. *See id.* Defendant Dole Packaged Foods, LLC (“Dole”) opposes the Motion. ECF No. 144.
